Sir,

With reference to your letter No.Fl.8514/G1.Fin.55^1 dated the 11th instant requesting to explain the cause of discrepancy in the amount of expenditure incurred for improving the surroundings of Ambavilas Palace in the Fort, I have the honor to state that Rs.1460-9-3 noticed as excess expenditure in the letter under reply is not an excess expenditure but only the amount drawn out of the sale proceeds of the materials of the demolished houses utilized towards the amount of compensation paid to Mr. Venkata Subbaraj Urs son of Venkata Krishna Urs for the acquisition of his house in Huvina Angadi street, Fort, Mysore. The acquisition of this house was --- sanctioned in Government Proceedings No.126-12^/L.F.52-^2 dated 8-7-^

It will thus be seen that Rs.1^36-11-^ for which sanction has been applied for in this Office No.124 dated the 24-4-1^26 has no -- concern whatever with the amount of Rs.1460-9-3 as this latter amount is only part and parcel of the sale proceeds of materials of demolished houses acquired for improving the surroundings of Ambavilas Palace and

and utilized towards the part payment of compensation of Venkata Subraj Ursu's house acquired in Huvina Angadi street as explained in the -- latter part of note III of the statement submitted to Government with this Office No.125 of the 24th April last. This amount viz: Rupees 1460-0-3 will be credited to Provincial Funds as soon as sanction to Rs.1036-11-0 is received with permission to utilize the sale proceeds of materials of demolished houses in Huvina Angadi street to meet the excess expenditure incurred on account of enhance amount of compensation awarded in several cases noted in red ink in the statement --- forwarded with this Office No.124 dated 24-4-1936.

Sir,

With reference to Government Proceedings No.1436-9/L.B. dated 7-9-04 sanctioning the acquisition of some houses in the Huvina Anagady street , Mysore, for improving the surroundings of ~~Palace~~/ Palace at a cost of Rs.24265, I have the honor to report that all the houses have been acquired and demolished at a cost of Rs.20,855-14-2. The annexed is a memo showing the amount sanctioned, value of materia realized, the amount of expenditure incurred, the balance available and the additional amount required for the final settlement of the account.

As the amount of compensation had to be increased and awarded over and above the estimated amount in 2 cases, the amount sanctioned for this purpose had to be unavoidably exceeded.

I beg therefore that you will be so good as to obtain the sanction of Government to an additional grant of Rs.1036-12-9 after utilizing the value of materials of demolished houses viz.Rs.3143-11- now in deposit with a view to adjust the amount drawn from funds set apart for other works to meet the urgent requirements in time as --

as already explained in this office No.48 dated 2-10-1905.

I beg also to state that the marginally noted 2 cases are pending disposal before the District Judge to whom the amount awarded, has already been forwarded.

I. Puttamma and others.
II. Davakee Bayee.

If the District Judge awards any extra amount in these cases, special application will be made for additional funds.

No.Fl.8514/Gl.Fin.53-Cl

From,

Secretary to the Government of His Highness
the Maharaja of Mysore, Genl. and Rev.Dept.

To,

The President, City Municipal Commission,Mysore.

Dated Bangalore, the 11th June 1906.

Sir,

Adverting to your letter No.125 dated the 24th April 1906,submitting a detailed statement of account relating to the acquisition and demolition of 51 houses in the Fort for improving the surroundings of Ambavilas Palace as per Government order No.2344-7,dated the 30th June 1903, I am directed to state that the statement shows that the net excess over the sanctioned estimate was Rs.1460-0-3. It is explained in note No.3 on the statement that this amount was utilized for the payment of compensation for the acquisition of Mr.Venkata Krishne Urs' house in the Huvina Angadi street. But in your letter No.17 dated the 27th July 1905, it is said that the acquisition of this house was sanctioned along with that of those in the Huvina Angadi street. If the sanction referred to, is Government order No.Fl.1436-9 dated the 7th September 1904, then the excess required over the sanctioned estimate for the acquisition of these houses is only Rs.1,036-11-9 as worked out in the statement sent with your letter No.124 dated the 24th April 1906 and not Rs.1,460-0-3 as stated above. am,therefore, to request you to be so good as to explain this discrepancy and also intimate the authority under which Mr. Venkata Krishne Ur's # house was acquired, as this house does not appear in the declaration statement under the Land ---- Acquisition Regulation, published with Government Order No.

No.Fl.1436-9 dated the 7th September 1904, referred to above.

I have the honor to be,

sir,

PRESIDENT, CITY MUNICIPAL COMMISSION,

To

B.K.Venkatavarada Iyengar Esquire,
SECRETARY TO THE GOVT. OF MYSORE,
REV. & GEN. DEPTS.

Sir,

With reference to your letter No.Fl.8514/Gl.Fin.55-01 dated the 11th instant requesting to explain the cause of discrepancy in the amount of expenditure incurred for improving the --- surroundings of Ambavilas Palace in the fort, I have the honor to state that Rs.1,460-0-3 noticed as excess expenditure in the letter under reply is not an excess expenditure but only the amount drawn out of the sale proceeds of the materials of the demolished houses utilized towards the amount of compensation paid to Mr.Venkatasubba raje Urs son of Venkata Krishne Urs for the acquisition of his house in Huvina Angady street Fort, Mysore. The acquisition of this house was sanctioned in Government Proceedings No.126-128/Lf.52-03 dated 8-7-1903.

It will thus be seen that Rs.1,036-11-0 for which sanction has been applied for in this office No.124 dated the 24-4-1906 has no concern whatever with the amount of Rs.1460-0-3 as this latter amount is only part and parcel of the sale proceeds of materials of

of demolished houses acquired for improving the surroundings of Ambavilas Palace and utilized towards the part payment of compensation of Venkatasubbaraje Ur's house acquired in Huvina Angadi street as explained in the latter part of note III of the statement submitted to Government with this Office No.125 of the 24th April last. This amount viz: Rs.1,460-0-3 will be credited to Provincial funds as soon as sanctioned to Rs.1,036-11-0 is ---- received with permission to utilize the sale proceeds of materials of demolished houses in the Huvina Angady street to meet the excess expenditure incurred on account of enhanced amount of compensation awarded in several cases noted in red ink in the statement, forwarded with this office No.124 dated 24-4-1906.
